

Agreement of understanding, rules and guidelines between

**Silverwinds Metals Manufacturing
And
Outside Heating Systems (Wood Doctor)**

This memo of understanding shall supercede any and all past warranty arrangements between the above parties and be renewed or amended on a yearly basis if both parties agree.

The manufacturer, Silverwinds, will warranty units to Wood Doctor and Outside Heating for a period of five years from the date of shipment to Outside Heating (Wood Doctor) plus a twelve month extension on the proof of sale to an end user. Silverwinds further agrees to cover 100% of replacement or repairs on all units sold to Wood Doctor for the first thirty (30) months, then 50% of wholesale cost for replacement for the next thirty (30) months, and/or 100% of repairs.

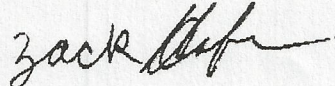

Wood Doctor will expend all possible means to mitigate warranty cost to Silverwinds and supply all pertinent information on a unit to Silverwinds on request if replaced or repaired within 30 days from date of claim.

The manufacturer labels on Wood Doctor units shall display only the Wood Doctor name and the 800 telephone number of Wood Doctor .

The CSA certification of all present outdoor boilers manufactured by Silverwinds and Fordham belongs to Wood Doctor.

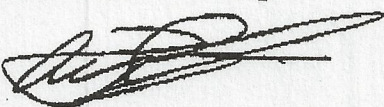

A separate distribution and manufacturing agreement tied to volume, performance and solvency shall be drafted within the next 30 days
